James Garrett was the next applicant. The Council asked if the he was willing to work and handle the requirements on the job description. He stated that he was able to handle the position and could start to work the following Monday. George Eichberger was the final applicant. He stated he could do the job and would like to come to work for the City. He does not possess a driver's license and does not think he will be able to obtain one. The applicants were dismissed and the Council talked about the applicants qualifications. Regards to Mr. Eichberger's lack of a driver's licenses, the Council feels that his services would be valuable in other areas and could be an asset to the City. Councilwoman McLean motioned to hire both applicants, James Garrett and George Eichberger. The motion was seconded by Councilwoman Arrant, motion carried, 5-0.
